The screenshot shows a video player interface. The main content area has a dark blue background with the title "Compuerta NOT" in white. Below the title, there is a text box explaining the NOT operator: "El operador NOT toma un solo valor de entrada y niega su valor:". To the right of this text is a truth table for the NOT gate. The table has two columns: "A" and "NOT A". The rows show that when A is 0, NOT A is 1, and when A is 1, NOT A is 0. In the top right corner of the video frame, there is a small inset video of a person speaking. At the bottom of the video frame, there is a watermark for "Wondershare Filmora" and a note that the video was "Created with Wondershare Filmora free plan".

Compuerta NOT

El operador NOT toma un solo valor de entrada y niega su valor:

A	NOT A
0	1
1	0
